## What we do

**How does JP Capital Group protect my personal information?**

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

We restrict access to your personal and account information to those employees who need to know that information to provide products and services to you.

**How does JP Capital Group collect my personal information?**

We collect your personal information, for example, when you

- open an account or apply for a loan
- pay your bills or show your government issued ID
- 

We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.

**Why can't I limit all sharing?**

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.
